CALVERTANA 1984 VOLUME 58

PUBLISHED BY THE CALVERTANA STAFF

Calvert High School
152 Madison Street
Tiffin, Ohio 44883

We chose "TOGETHERNESS" for this year's theme because it describes the feelings of the students and faculty here at Calvert. We all worked together to achieve the goals and accomplishments we set for ourselves at the beginning of the year. "Let's do it together" was the football team's motto for the '83 season. The idea of togetherness was also present at Homecoming since the theme song "Teo Torriate" means "let us cling together". This theme was carried on throughout the year in various ways, especially by the senior class as they realized it was their last year together.

LET'S DO IT

TOGETHER

We have lived and laughed together
Through many changing years.

We have shared each other's happiness
And wept each other's tears.

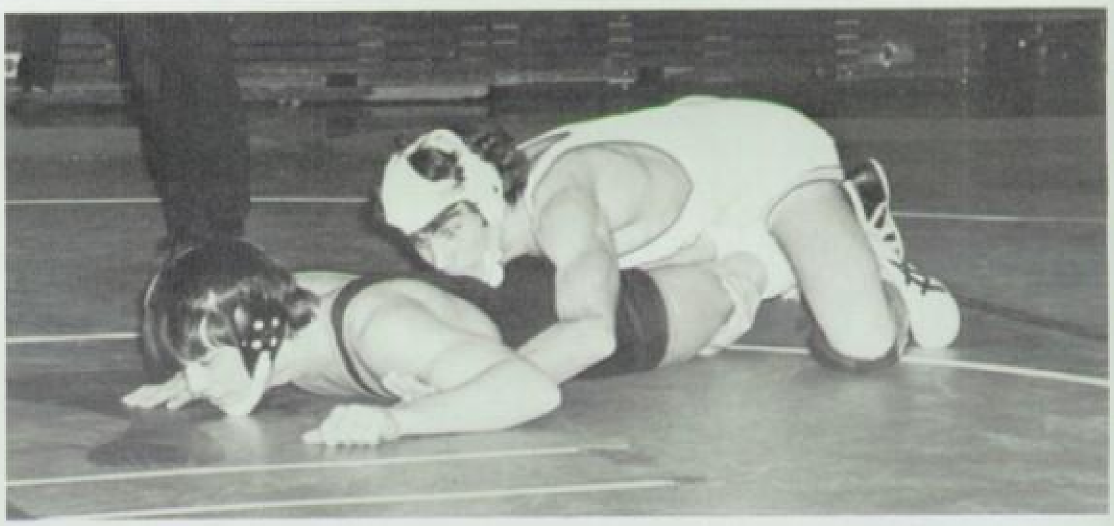

And let us hope the future,
As in the past will be

Filled with precious moments,
Treasured by you and me.

Departing With Memories

Remembering four years ago, how we
started a new way of life,
By stepping out of grade school,
to the doorway of Calvert High.
Like a tree we started
to grow, to share, and to unite,
To flourish at new levels
till graduation night.
We mixed as tiny seedlings,
as our roots continued to grow.
We united with warm feelings,
sharing with trust, heart, and soul.
Our love has grown towards friendship,
flowing with veins of time.
For the love that was first, continues;
and it will stay with us.
Together we discovered
the need for our friends,
The special joy of caring
through the happiness we shared.
Now it's time to say goodbye,
"Class of '84".
May God guide you in each step you take,
with happiness in store.

JUNIORS REVIEW YEAR

REMEMBER WHEN . . .

. . . we went to McDonald's after football games just to see who else was there?

. . . you got your driver's license in the summer; and when school came around, you wanted to show off, so you drove in the first day, only to find that most of your classmates had the same idea?

. . . Rick Snouffer fell over a chair and broke his leg?

. . . we voted three times for the prom theme? We finally decided on "Stairway to Heaven."

. . . we sold candles at Christmas time to earn money for the prom?

. . . we were freshmen with four long years ahead of us? Now there's three down and one to go.

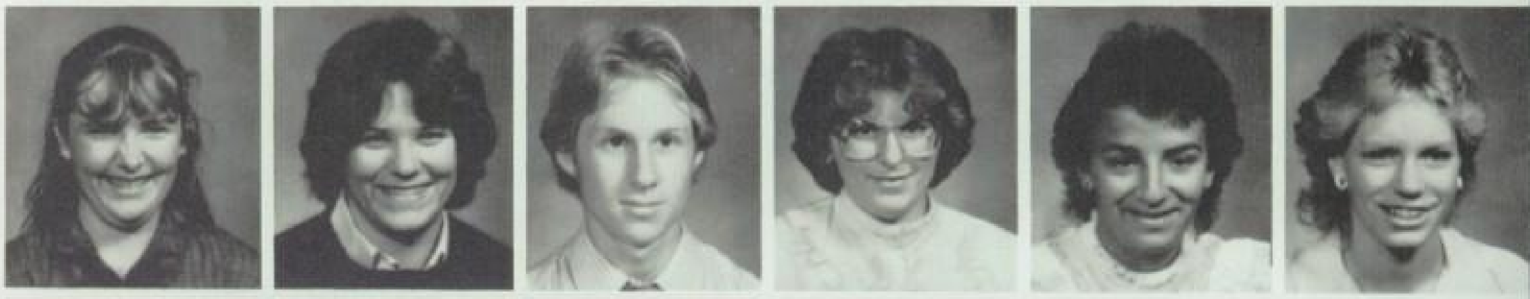

. . . we went to Washington, D.C. for our class trip?

. . . the seniors went on their class trip and the juniors took over for a week?

. . . we washed cars at St. Joe's and got as much water on us as on the cars?

. . . Bo Reid went to dive for the basketball and broke his braces? And when he made his first varsity point?

. . . we used to get lost in the halls and couldn't find our way around the building?

. . . there was a fire drill in Early American History? Did we know where to go? Of course not! We were so lost Mr. Miletti couldn't even find us. Our class was separated by the street!

GOOD TIMES FOR EVERYONE

Student Council was kept very busy this year as is evident from the many different activities in these pictures. The biggest event that Student Council sponsors is Homecoming. This year it was another big success.

In December a joint Christmas caroling troupe of Columbian and Calvert students sang at area nursing homes. Student Council also sponsored a Christmas Dance on December 10 and an ice skating party in January.

Valentine's Day brought faces of surprise and delight as students received carnations from friends, lovers, or secret admirerers.

A Super Dance was held again this year for the benefit of the Muscular Dystrophy Association in March.

Springtime brought the ever-popular Mr. Personality contest. This is a chance for all seniors to nominate the five senior guys they think have the best personality. The entire school then votes for the winner.

The group annually gives a $75 scholar award to a deserving sophomore girl and boy to encourage scholarship, one of the four characteristics of the National Honor Society members.

To develop citizenship, leadership, and service, the other three characteristics, the members visited with residents of area nursing homes and baby-sat monthly at both the St. Joseph and St. Mary parishes. These were two new activities added to the many which already existed.

They also sponsor the Sadie Hawkins Dance and run the fish pond booth at the Calvert Festival every year.

For a fund raiser this year, they held a coat check at the Boys' Basketball games so they could earn money to give the wrestlers pins for every time they pinned their opponents.

SPANISH CLUB

The 1983-84 Spanish Club was moderated by Mrs. Maria Kanzig. This year, as in recent years, the Spanish Club held a Christmas party; each member made a different Spanish dish for everyone to taste. The Spanish classes made their own pinatas and filled them with candy. These were broken at the party.

CAPITAL GREETS VISITING JUNIORS

A. The entire crew that toured Washington, D.C. **B.** Class clowns always make the bus ride seem shorter. **C.** Exchange student Nick Houston really seems to enjoy these typical American juniors, Dianne Fisher and Deb Brickner. **D.** Junior classmates try to decide who will "have the guts" to jump off first.

Thirty-eight juniors and three chaperones from Calvert took the annual American History trip to Washington, D.C., April 4-7. They toured Gettysburg, the U.S. Capitol, the Supreme Court Buildings, and the National Cathedral.

They also visited the Lincoln and Jefferson Memorials, the Library of Congress, Mt. Vernon (George Washington's Estate), the Arlington National Cemetary, and the Smithsonian Institute.

The schedule was very busy and squeezed in visits to the Washington Monument, Vietnam Memorial, Kennedy Center, and the Iwo Jima Memorial.

SENECA CHEERLEADERS STIR UP SPIRIT AND SUPPORT

Cheerleading has been a part of Calvert since 1927. Since that time it has changed dramatically, but the main purpose for cheerleaders still remains - to lead Seneca supporters in spirit and enthusiasm.

To encourage prospects for the future Calvert squads, this year's cheerleaders held a cheerleading clinic for girls in the fourth to the ninth grades. That was one way for them to raise money as well as to have a good time.

Other fund-raising projects included having a car wash; selling bumper stickers, hats, and other school artifacts; and holding a dance in the fall to welcome back students, old and new.

The football season ends in November, and basketball begins in December and runs until March. Each cheerleader's energy and endurance is tested throughout such a long and demanding season.

SMALL BAND "STRIKES UP" BIG SOUND

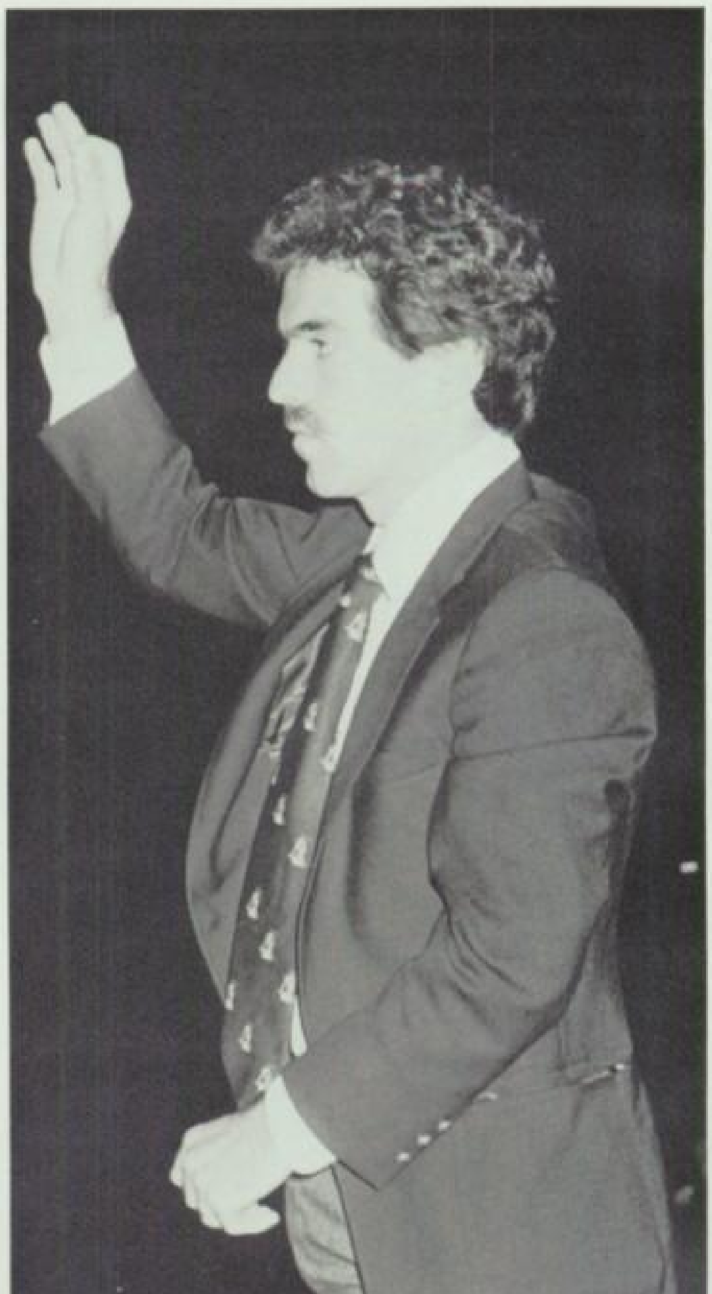

The small size of the band had no reflection on the quality of its sound.

Under the direction of Mr. Joseph Murphy, new at Calvert, the 42 member band relied heavily on underclassmen.

As a new program this year, the members put on a Marching Band Concert in the gym for the public's entertainment.

While Majorettes Cheryl Sickles, Connie Lucius, and Lori Hufford usually did group routines, the girls also did several solo acts. Head majorette Lori Hufford for the Homecoming Game twirled a two-baton routine and did a hoop baton exhibition act.

The Flag Squad entered a Dance and Drill Team Competition, where it placed first among ten other competitors, and received a blue ribbon and two trophies.

PEP AND CONCERT BANDS PROVIDE

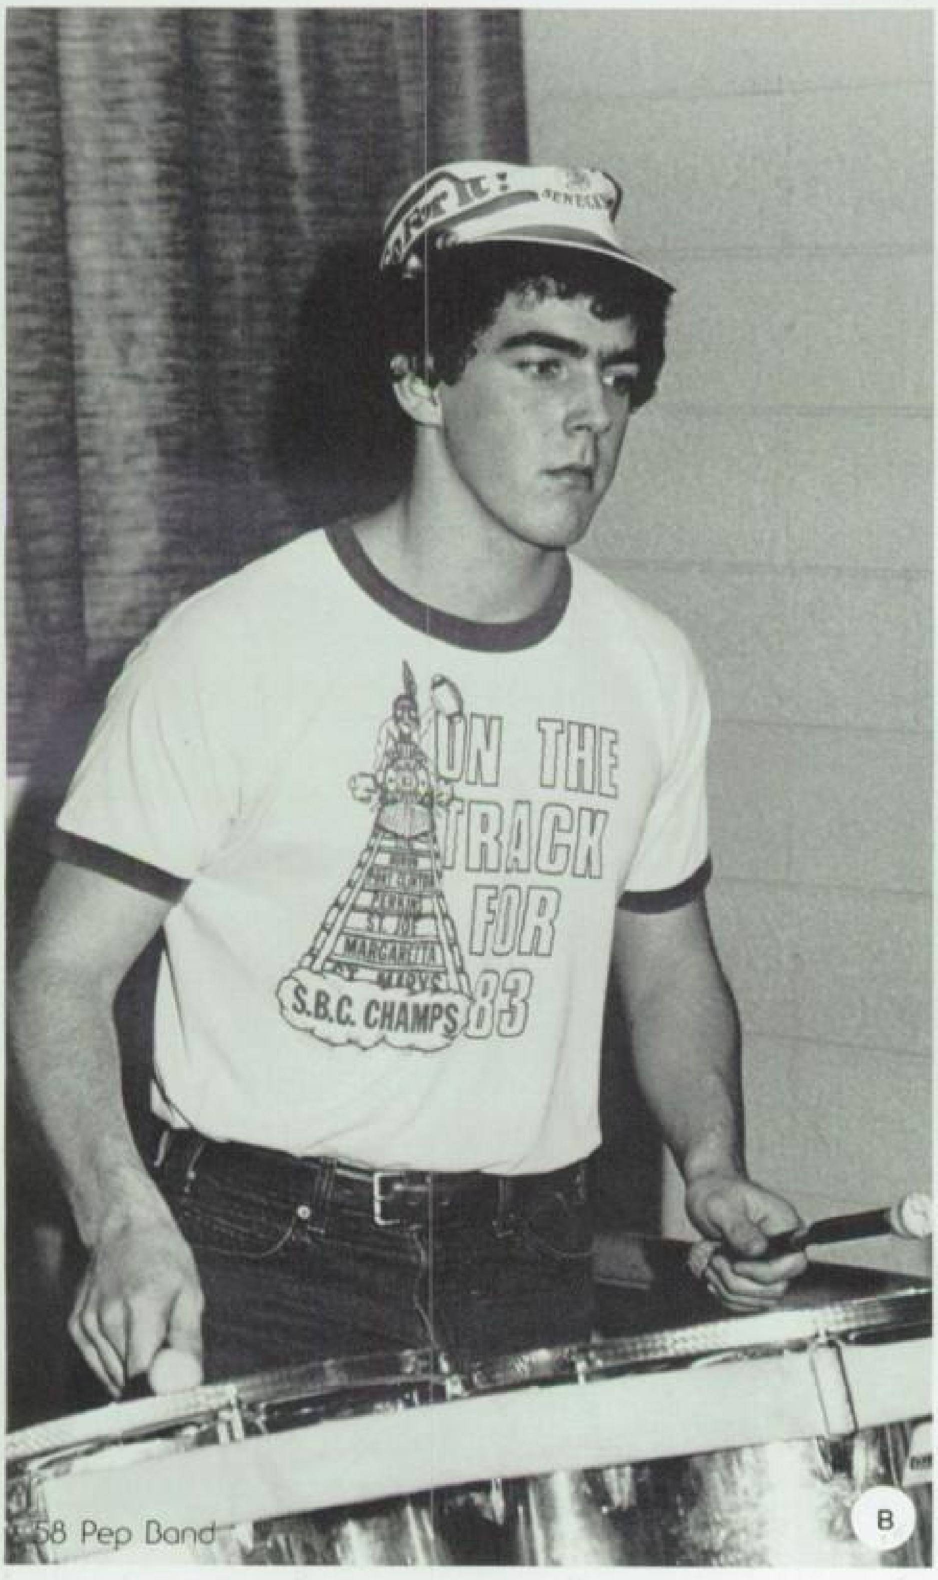

Whether they are psyching up basketball players or entertaining audiences, the Concert and Pep Bands are enjoyed both by Calvert students and the community.

The action at a basketball game is started as the first horn or drum is heard. The Pep Band plays at all of the Boys' Varsity Basketball games at Calvert. The band also plays at some of the School of Opportunity games.

The Concert Band once again held its annual Christmas program at the Ritz Theater in a joint performance with the Concert Choir. The Band performed in March with the Columbian High School Band. In that same month they entered a competition at Sandusky High School.

Mr. Joseph Murphy is the director of both the Pep Band and the Concert Band.

ENTERTAINMENT FOR ALL TO ENJOY

CONCERT CHOIR - PUTTIN' ON THE RITZ

Calvert's Concert Choir performed periodically throughout the school year for various programs. Their Christmas program was held at the Ritz Theater on Sunday, December 18.

The choral group entered a competition in Sandusky, Ohio, and several different members took solos. A judge commented on the singing and gave scores.

Throughout the school year the choir sang at school Masses. In the spring they gave a program for the Rotary Club.

Mr. Joseph Murphy was the director of the choir.

"Catholic Schools: A Beacon of Hope" was the theme of this year's Catholic Schools Week. The week, January 30 to February 3, had special activities taking place throughout the school.

The eighth graders from St. Mary's and St. Joe's toured Calvert and evening presentations were given by the teachers in the Religion Department.

The week ended with a Mass on Friday with Calvert alumni Fr. Russell Gillig and Fr. Louis Huffman in attendance.

Were purple stripes and fluorescent plaids the new fad at Calvert? Yes, at least during Spirit Week. Students wore brilliantly concocted outfits on Tuesday, Clash Day, to express their enthusiasm for Homecoming.

Wednesday was designated Occupation Day, and students again put their imaginations to work to come up with uniforms and outfits of surgeons, security guards, and firemen.

The more serious side of the entire school was shown on Thursday. Everyone dressed in his or her finest attire to attend an assembly which formally introduced all senior girls and their escorts as they walked across the gym.

However, the mood changed that night completely at the roaring bonfire. The blazing fire warmed the hearts and hands of the loyal fans and took the chill off that damp evening of October 13, 1983.

THIS DANCE IS TRADITIONAL

A. Rose Smith arrives at the dance with Scott Stanton, who wears a blank look. B. Dave Reamer and Katie Helkeg seem to be in the mood of Homecoming. C. Homecoming festivities come to an end. D. Andy Felter urges Pat Gaietto to ask his date to dance.

Friday evening started with the announcement of the Homecoming queen for 1983 and ended with the Senecas honorably accepting a 0-10 defeat from Sandusky Perkins.

However, the entire week of Homecoming ended enjoyably with the traditional Saturday night dance. The theme was "Teo Torriate," which is a Japenese phrase meaning "Let Us Cling Together".

The live band, High Stakes, jammed away in the midst of the flowing streamers and helium balloons, which decorated the gym.

Homecoming was brought to a close Saturday night, to be safely locked in the memories of all who participated in the meaningful event.

Ko Ko has been condemned to death for flirting, but reprieved and raised to the rank of Lord High Executioner. The Mikado decrees that unless an execution takes place, Titipu will be reduced to a village and the rank of Lord High Executioner will be abolished. Nanki Poo, who has fled from his father and Katisha in search of his love, Yum Yum, offers his head in exchange for one month of married happiness with Yum Yum.

Ko Ko and Pooh Bah make a false affidavit of Nanki Poo's death when they hear the Mikado is coming to Titipu. This puts Pitti Sing, Pooh Bah, and Ko Ko in a dreadful position, for Nanki Poo refuses to "come to life" until Katisha is married. The only possible solution is for Ko Ko to marry Katisha.

PROM 1984 - STAIRWAY TO HEAVEN

A

B

C

D

The way the gym was decorated on April 28 is probably the closest look of heaven anyone will ever get while here on earth.

The ceiling was cascaded with streamers galore and a stairway with small lights circled up to the "clouds of heaven".

Pre-prom activities included a 5 p.m. Mass at St. Francis Convent and then a meal served by parents at the Candlelight Restaurant. The dance was from 8 to 12 p.m. with the band Roulette providing the energizing music.

The Junior-Senior prom which is traditionally sponsored entirely by the juniors was again a complete success. The Juniors put in a lot of time creating "an evening in paradise". Their efforts made the evening special particularly for the seniors, as this was their last dance ever at Calvert.

SENIORS SOAK UP RAYS WHILE

New sights were seen and new things were learned by the Seniors who went on their class trip to Orlando, Florida. Students discovered first-hand that this state truly is the "Land of Sunshine".

Good times, found all over Florida, included lounging at the poolside of the Marriott Inn and talking with Pluto at Disney World. The seniors visited Kennedy Space Center, Cocoa Beach, Wet 'n Wild (a water amusement park), and an Orlando dinner theater, where they enjoyed the South Pacific.

The trip was from April 8-13. Never before did seniors have such an enjoyable week as they did in Florida.

VACATIONING IN THE "SUNSHINE STATE"

SENIORS SPEND LAST MOMENTS TOGETHER

The seniors started graduation activities May 23 with a parents' Mass in the evening. A reception took place in the cafeteria afterwards.

The traditional Baccalaureate Mass was celebrated the next day with the rest of the students. Following the Mass and slide show, the seniors were served breakfast, at which the seniors gave various awards to their fellow classmates.

The next day the seniors again joined the rest of the student body for the Awards Assembly. Commencement Friday evening culminated the in-school celebrations for the Class of '84.

Senecas Fall Short Of Their Goals

Tough Competition Makes For Challenging Season

The beginning of the 1983 season seemed to be familiar as the Senecas rambled off to an early record of 4-0 and found themselves placed second in the first UPI State Football Poll. This occured after an opening road trip to Mohawk with a 10-7 victory thriller.

In the season's home opener, the Seneca Dog Soldier defense was unsurpassable as they shut out Delphos Jefferson, 7-0, and again the following week Lima, 10-0.

The fourth victory found sophomore Aaron Smith replacing injured veteran Tom Ritzler at quarterback and leading the team to a 31-6 win over Clyde.

In the next two contests, the Senecas fell short of victory to tough foes Huron, 33-8, and Port Clinton, 13-6.

Despite back-to-back setbacks, the Senecas still maintained the runner-up spot in Division V, Region 18 computer ratings.

The next three contests, however, proved to be challenging for the Senecas and their overall record slipped to 4-5. However, the season finale found the Senecas finishing off the Panthers, 23-6.

Experience Helps Lady Senecas

Team Earns S.B.C. And District Runner-up Honors

The 1983 season truly continued the recent excellence in Women's Volleyball at Calvert. Under six returning Varsity Letterwinners the team finished earning the second-place spot in the Sandusky Bay Conference with a 13-2 record. Both losses came from stubborn rival Clyde, who took first in the SBC and later found themselves state-bound.

Showing outstanding talent throughout the season, the Lady Senecas found themselves state-ranked and suffered losses only to other state-ranked teams: Clyde, Old Fort, and Findlay.

The Senecas entered the sectional tournament and came away as sectional champions after defeating Hopewell- Loudon. But in the District tournament, after advancing to the finals, the team was eliminated from action being defeated once again by Old Fort.

Confidence is much more than it says;
It gives us the mind and the soul
We need to reach our goal.
It helps us to do so much more
Than we thought we could ever do before.
Confidence helps us to do our best,
Even when failure has taken the rest.
We need the courage, a will, and a way
To get us through each and every day.
Confidence does much more than that;
It keeps us strong and our heads held high.
We know deep inside that we'll come through it.
Because something is telling us—we can do it.

Guys Experience Struggling Season

Record Suffers Because Of Tough Foes But The Spirit Shines On.

Tom Bridinger's Varsity Squad closed out a disappointing season with a 109-68 defeat, which left the Senecas with a 4-16 record.

Though a losing season, it was highlighted on the home hardcourt as fans watched senior Tom Ritzler score his 1000th career point. Unfortunately, the Blue and White suffered a loss to Mohawk in that same encounter.

But the next week the Senecas came back to beat Clyde in overtime for a 56-55 win. Scoring honors in the contest went to Ritzler with 20, followed by Brad Wise with 15. The following night the team suffered a Parents' Night defeat at the hands of Buckeye Central, 72-59.

Revenge motivated the next game as the Senecas walked over visiting Fremont St. Joe, 85-57. The attack was again led by Ritzler with 27 points. Despite a strong attack by the TC cagers, a 104-84 loss was suffered to a tough Bucyrus Wynford team.

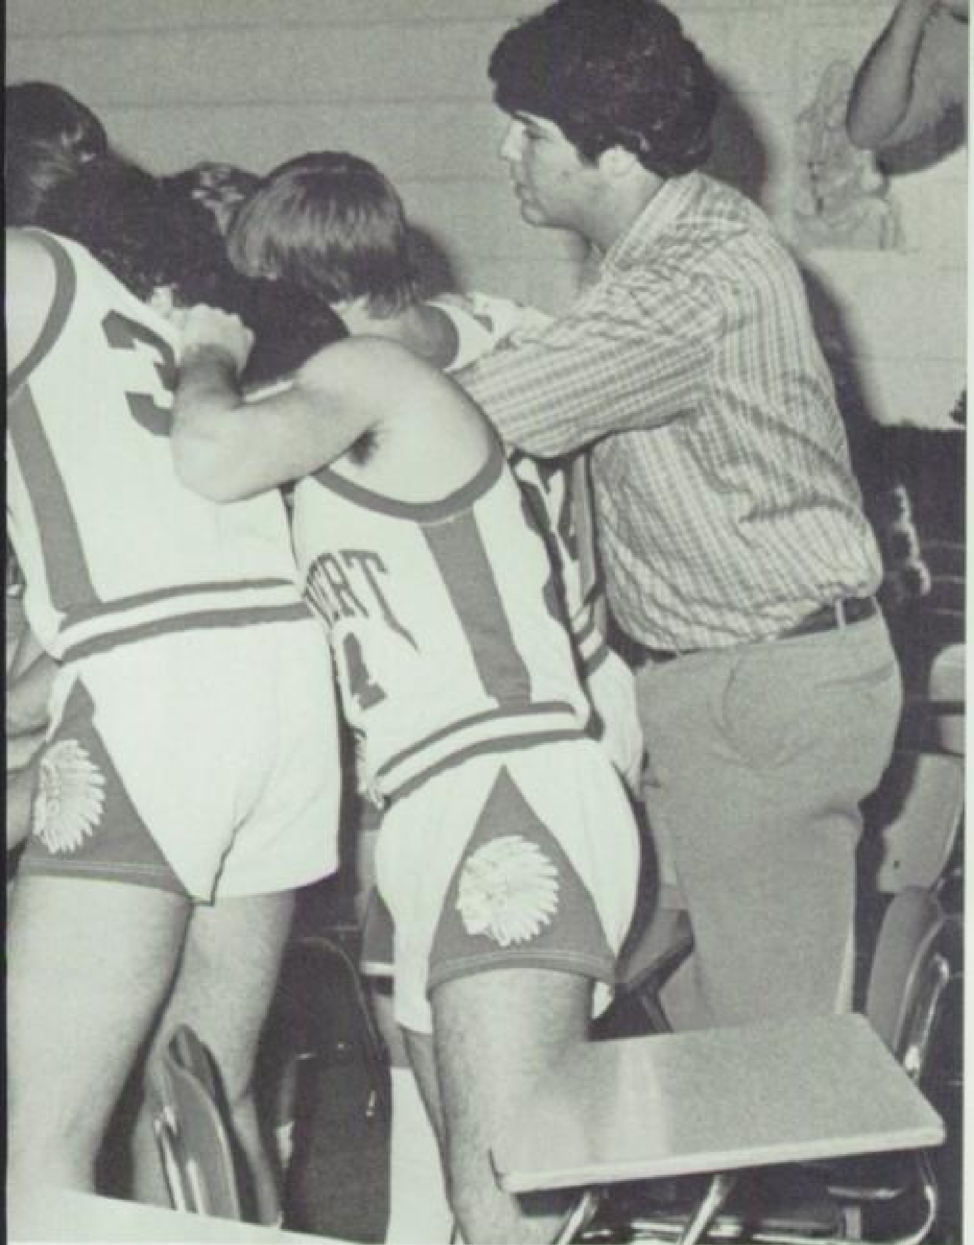

In tournament action, the Senecas proved too much for Crestline as they came away with a 65-62 victory. The win was led by Aaron Smith with 23 points, followed by Ritzler with 20. Playing for the first time in the season was senior Ken Schriner, who was recovering from a broken wrist. The team ended play by falling in the sectional finals to Monroeville, 67-54.

1983-84 BASKETBALL TEAM: (L to R) Nick Fabrizio, Aaron Smith, Tim Demith, Ken Schriner, Phil Huss, Tom Kuhn, Tom Ritzler, Dan Frank, Jim Ruehle, Brad Wise, Paul Depinet. Kneeling are Coach Tom Bridinger and Manager Brad Funkhouser.

Ritzler's 1000th Highlights Season

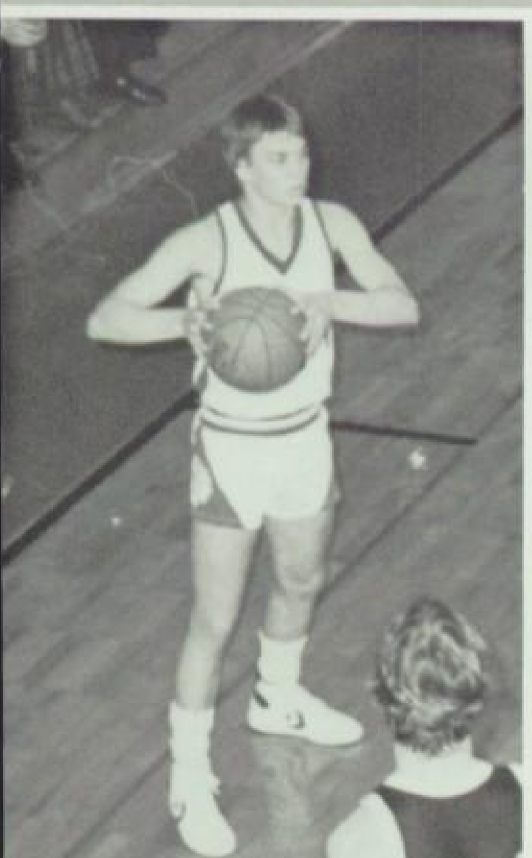

This year Seneca fans had, once again, the excitement of seeing an athlete reach his 1000th career point in basketball. Senior Tom Ritzler joined the elite of basketball athletes from Calvert, being the fourth performer in the school's history to accomplish such a feat.

Although he received only a small taste of Varsity action his freshman year, Tom was a four-year Varsity player. As a sophomore he was the sixth man and often looked to for his scoring ability as well as his rebounding skill. His junior and senior years the 6'2'' senior led in the scoring category as well as in rebounding.

Consistant play along with a high scoring average throughout his career has gained Tom such honors as All-SBC and All-District Honorable Mention his junior year and 2nd team-SBC, 1st team in District 6, and a place on the 3rd team-All Ohio his senior year.

Girls Uphold Winning Tradition

The 1983-84 girls' basketball team upheld the tradition of a successful season. The Lady Senecas finished the season with a 12-6 record, and went on to defeat Gibsonburg, 53-40, and Fremont St. Joe, 64-51, in the Sectional Tournaments. Their season was ended, however, when Arcadia won the close and exciting District Semi-Finals game, 36-35.

Honorable mention spots in the Sandusky Bay Conference were earned by Holly Jones, Annette Gassner and Deb Smith. Holly was also named Most Valuable Player at the Winter Sports Banquet.

Annette and Holly represented Calvert in the Wendy's-WLEC Classic All-Star game held at Perkins High School. Also, Annette and Deb were featured in the Second Annual Girls' North-South All-Star game.

This year's senior girls, throughout their careers, have accumulated more victories than any other grade level has in the history of Calvert sports.

The captains for this year were Annette and Holly.

Cross Country And Track Are Given A Chance

Track and cross country were added to Calvert's sports. Freshmen Katy Riedy and Laura Lucas represented Calvert in Sandusky Bay Conference track meets. Katy ran distance events while Laura ran sprint events. They practiced with Columbian's track team and were coached by Columbian's coach, Mr. Milton Place.

Katy was the only one from Calvert who ran in Columbian cross country meets. She ran the 3.1 mile race and was coached by Mr. Place in cross country as well as in track. Katy represented Calvert in SBC sectionals.

Seneca Swimmers Compete

The swim team consisted of senior Kim Fisher, junior Chris Lee, and freshmen Valerie Wax and Katy Riedy. Practices for the team were held at the Community YMCA. The Senecas entered competition as a third team. Kim swam 100 backstroke, 200 freestyle, and 50 freestyle, while Chris entered into 50 and 100 freestyle and the 100 yard breaststroke categories. Valerie swam 100 freestyle, 50 freestyle, and 200 breaststroke.

The swim team entered the Northwest Ohio High School Sectional meet, which was composed of 22 high schools and over 200 swimmers. Valerie placed fifth out of 56 swimmers in the 100 free, and again in the 100 back. Chris came in tenth in the 100 breaststroke out of 20 competitors, and 29th out of 55 swimmers in the 50 free. Kim came in 14th in 100 back and 32nd in the 50 free. Katy entered the 50 free.

The swimmers advanced to the District meet but did not place.

Big Win Highlights Season

The 1983-84 wrestling season got off to an impressive start for the Senecas. They placed third in the Gibsonburg Invitational Tournament. The following week at their first home match, both Varsity and Reserves chalked up victories against Margaretta. Next, the Seneca grapplers defeated rival Mohawk for the first time in two decades, which provided for the "big win of the season." Then the team was struck with injuries which prevented Andy Felter and George Graham from finishing their senior wrestling seasons. Despite these setbacks, the Senecas managed to end the season with an exceptional 5-5-1 record. Jim Buchman received the Most Improved Varsity Award and Chuck Clouse, the Most Improved Reserve. Jeff MacFarland and Mark Elchert tied for having the most pins of the season, and Andy Felter had the quickest pin, which was 32 seconds.

Elks Finishes Fourth In State

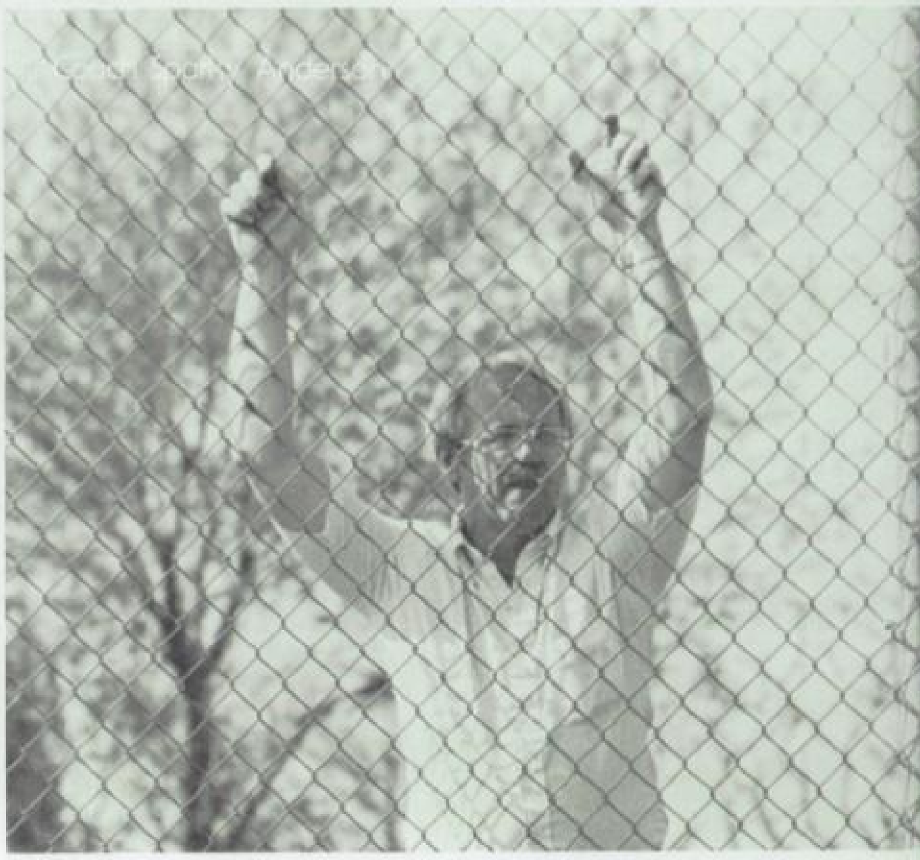

St. John Arena on the Ohio State Campus was the site of the 47th annual Ohio High School State Wrestling Championships. Seneca Mark Elchert wrestled his way to this tournament and ended up capturing the fourth place title in the state in the Class A 126-pound division. Mark said that he wished he weren't a senior so he could come back again next year and relive the excitement. Elks ended his senior season at 27-7 to tie Norm Smith, a 1980 graduate, for the most wins in a single Calvert campaign. Without a doubt, Mark was the most valuable player on the 1983-84 Seneca wrestling team.

Hard-Fought Matches Result In Winning Season

The 1984 Tennis team had a very successful season. They placed third in the Sandusky Bay Conference, with a league record of 8-4. The only early-season losses came in two hard-fought matches, both 3-2, losing to Sandusky Perkins, the SBC leader, and Port Clinton.

Bucyrus High School was the site for Sectional tournaments. Before this, Lemwel Delgra had been undefeated, but he lost in the semi-finals. Jeff MacFarland won the first two rounds, but was defeated in the quarter-finals. The doubles team of Greg Hoffbauer and Matt Pardi had a first round bye and won the second round, but lost in the third round.

Early Season Victories Pay Off

The 1984 Softball Team jumped off to a great start. Under the leadership of third-year coach Ted Rombach, the ladies came away victors after the first three contests. The fourth game was a hard-fought loss to 1983 S.B.C. Champion, Fremont St. Joe.

Despite countless rain delays which made the season difficult, the team finished with a winning record. Before concluding the season, the Senecas gained revenge on St. Joe handing them a 20-4 defeat and then ended all play by losing to Huron 5-16.

Winning

We all understand winning. We've built a great nation around the individual will to win. To get ahead and stay ahead. At work or play, we all compete. We want to win.

Whirlpool Corporation is no different. We compete to win. But a company's will to win is no stronger than the collective spirit of individuals... the results produced no better than combined individual effort. Our will must be strong enough...our results good enough... to compete with the best. We believe they are.

Together we will continue to make and sell appliances second to none in quality and value. Because we want to win. Because winners get to keep competing... and losers don't.

We, the 1984 staff of the Calvertana, would like to extend our thanks and appreciation to those people who helped make this book possible: our advertisers and patrons; Dan Aiello, who did the artwork in the senior section; Mr. Jack Altenburger, our principal; Sr. Antonia Rode, our adviser; Jim Boroff, typesetter of the senior names; Danna Derr, who clipped newspaper articles for our use; Mr. & Mrs. Richard A. Focht, who let us use their gazebo for Homecoming pictures; Lori Hufford, our main student photographer; Jay Brucker, Cliff Lim, Cheryl Schock, Rick Snouffer, and anyone who assisted in any way with pictures; as well as to all the Woodard photographers. To all - thanks!

WE DID IT TOGETHER

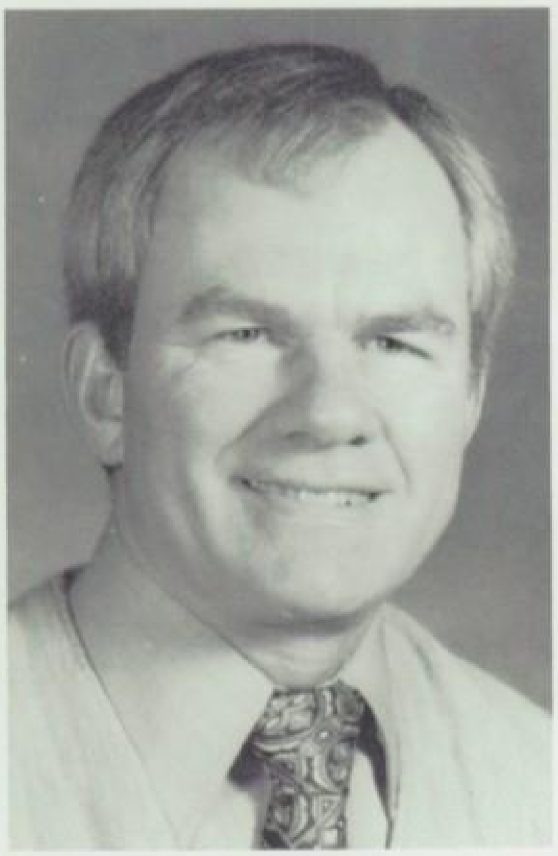

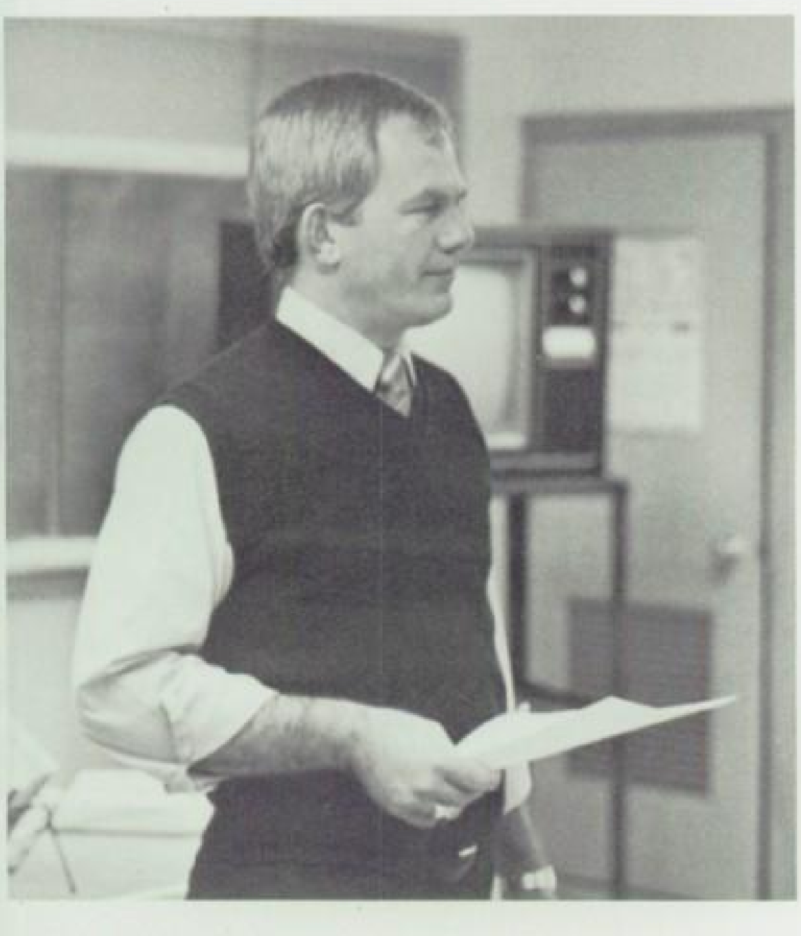

Michael E. McClellan

Nov. 17, 1939 - July 11, 1984

In Memory Of A Teacher And Friend

"Those who have instructed many . . . will shine as bright as stars for all eternity." (Dan. 12:3)

On July 11 the Calvert community lost a man who was part of that community for 23 of his 44 years. It is only right that we pay tribute to this teacher, friend, and former administrator.

Mr. Michael McClellan graduated from Calvert in 1957 and returned in 1961 as a Business teacher. He remained here until 1978, and during those 17 years served also in administrative roles. He was Dean of Students from 1971-73 and Associate Principal of Administration from 1973-77, during which time he was also Dean of Discipline. He served as head of the Business Department during part of his time in that department.

Having played on Calvert's football team his last three years in high school, Mr. McClellan was later assistant football coach under Mr. Paul Miletti.

He left Calvert in 1979 for employment at Webster Manufacturing, but he returned in 1982 because he "missed the students." His first year back, he taught in the English Department and the second year he moved once again to the Business area.

Mr. McClellan was very special to the Class of 1984 as a teacher, class advisor, and friend. The seniors will always cherish the memories of his accompanying them to Florida on their class trip.

We pray that Mr. McClellan is at this very moment being rewarded for his service and dedication to our school.
